**Lenten Longings: For the Life of the World**

Lent is a time to renew our faith – something that calls us to prayer and reflection. In a small community setting, we see how Jesus himself, in the midst of activity, always took time for silence and prayer, and we realize how important it is for us to do the same.

Lenten Longings is a six week adult formation experience held in small groups or on your own at home.

Sign-up Weekend for Praying Lent-Lenten Longings is next week January 23-24. The first week for small groups is February 7. Join us!

**Pope Francis’ Ten New Year’s Resolutions for You**

We’re already a few days into the New Year, but it’s not too late to make your resolutions. If you need some help, here are some ideas from the Holy Father himself.

Here are ten things Pope Francis called upon Vatican employees to do in a meeting held before Christmas:

1. “Take care of your spiritual life, your relationship with God, because this is the backbone of everything we do and everything we are.”

2. “Take care of your family life, giving your children and loved ones not just money, but most of all your time, attention and love.”

3. “Take care of your relationships with others, transforming your faith into life and your words into good works, especially on behalf of the needy.”

4. “Be careful how you speak, purify your tongue of offensive words, vulgarity and worldly decadence.”

5. “Heal wounds of the heart with the oil of forgiveness, forgiving those who have hurt us and medicating the wounds we have caused others.”

6. “Look after your work, doing it with enthusiasm, humility, competence, passion and with a spirit that knows how to thank the Lord.”

7. “Be careful of envy, lust, hatred and negative feelings that devour our interior peace and transform us into destroyed and destructive people.”

8. “Watch out for anger that can lead to vengeance; for laziness that leads to existential euthanasia; for pointing the finger at others, which leads to pride; and for complaining continually, which leads to desperation.”

9. “Take care of brothers and sisters who are weaker … the elderly, the sick, the hungry, the homeless and strangers, because we will be judged on this.”

10. “Making sure your Christmas is about Jesus and not about shopping.”

Greetings from Mary Sue Reutebuch and Christian Formation for Family and Youth

Our Family Program’s celebrated the Feast of the Epiphany with great joy! First we created wreaths, which are a symbol of God’s unending love, with colorful ribbon. On several pieces of the ribbon we included names of people who are in our family’s circle of God’s love and those whom we need to include in 2016!

To conclude, we ate specially made king’s cake, where little baby Jesus’ were baked in a few of the pieces. Those who found the baby Jesus’ were chosen to lead the family in prayer throughout the year.

Our Youth started their year with an inspirational documentary clip covering the ministry of Fr. Tony Ricard, a Roman Catholic Priest from New Orleans. We learned of Fr. Tony’s struggles to keep his church open in the poor crime-riddled 8th Ward of New Orleans, post Catrina. His life motivates youth to keep a joyful, exuberant and deep abiding faith no matter what the odds. God is alive and well!

One Bread, One Body 2015

Every 2nd Saturday in November, the communities of St. Joan of Arc and St. Catherine of Alexandria come together to celebrate God’s goodness at the dinner auction event. This past November 14, we had over 180 people attend One Bread, One Body! Those who attended – parishioners, school parents, both past and present, school alum, family friends – symbolize what One Bread, One Body means. This is our largest fundraiser of the year, and it was a great success! The evening was filled with laughter and smiles as we all enjoyed a highly successful wine and liquor pull, a live auction raffle, a ‘heads and tails’ game, live entertainment, other raffles, silent and live auction items, food, and made new friends. Our net profit for the event was over $30,000. Additional funds were raised for the “fund-a” for technology. The event would not have been possible without the exhaustive efforts of all of the committee members. A huge ‘Thank you!’ to everyone who donated, attended, volunteered, and contributed in any way. God is good, all the time!

Steve Manne, Basketball Coach

By Jacob2015, Pewaukee, WI (Summer 2015)

Steve Manne started a Catholic Youth Ministry (CYM) basketball team at my parish a few years ago. He often refers to practice as his outlet for enjoyment. He opens the gym to 30 players, runs practices twice a week, hosts games on Saturdays and Sundays, and takes our team to visit the Milwaukee Rescue Mission.

It makes me feel great to have somewhere to go after school in the winter. Playing sports has never been a talent of mine; I never enjoyed sports, and my teammates hadn’t enjoyed me. Coach Manne helped make me feel comfortable playing basketball by putting me in the games. He made me feel comfortable around the team by bringing us together for bonding so often that it was hard not to get to know and like everyone.

Currently, Coach Manne is getting his Master’s degree in a type of engineering beyond my comprehension, while at the same time working full-time, coaching three CYM basketball teams, and being a husband and father. He also works with the Milwaukee Rescue Mission, gives us kids a place to go in the winter, and most importantly, gives time to God.

Coach Manne has taught me that no matter what is going on in my life, the most important thing is to have faith. No matter how busy I am, I continue to pray and stay close to God. Despite a heavy workload, Coach Manne has, to my knowledge, only canceled practice once. He drove all the way to the gym in intense snow, in his little black car, only to cancel practice when he got there. That showed me how much Coach cares about our safety, and I always feel safe around him.

There have been times when Coach Manne had to fly back from a business trip on a Friday afternoon in order to make a 7 p.m. practice. In some cases, he stayed up all night working so he had time for practice. And during the weeks he doesn’t get to see his family as much as he would like, he brings them to practice. The fact that Coach Manne makes time for his wife and kids despite a busy schedule shows me that work is important, but love is imperative. When I have a family some day, I want to treat them as well as Coach Manne treats his.

Coach Manne has made our team a family. We watch videos before Friday practice (including ESPN’s “30 for 30”), and players trade off buying pizza. My teammates have each others’ backs, not only in the game but outside the gym. We have never gotten upset with each other during a game, no matter what happens. We go into games as a team and come out a team; whether the outcome is positive or negative, we never turn on each other.

I have applied this team mentality to my everyday life, and it has made me a better person. It has made me realize that to be successful I need others’ help. It has taught me that turning on my teammates in hard times will only lead to bad relationships and abandonment.

Being a part of Coach Manne’s team has helped me find joy in life and school. It’s given me a place to go and people to talk to. Taking journeys to the Milwaukee Rescue Mission with Coach has shown me how bad some kids have it. It’s given me motivation to keep my grades up in high school, to attend college, and to hopefully one day help those who are less fortunate. All in all, this has been the greatest sports team to be a part of. Thank you, Coach Manne.
